DETAILED ACTION

Allowable Subject Matter

1. Claims 1-20 are allowed.
2. The following is an examiner's statement of reasons for allowance: the prior art of record fails to disclose or render obvious a module for dispensing a treat to a chewing animal having the features as described in detail, especially the feature of a treat barrier having inwardly-directed prongs that partly bar said open end, whereby a treat can be inserted into said hollow treat holder by a person or can be removed from said hollow treat holder by a chewing animal through said aperture or through said open end. Piglia et al. and Brown both lack this feature in their invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Son T. Nguyen whose telephone number is 571-272-6889. The examiner can normally be reached on Mon-Thu from 10:00am to 5:30pm.
